

# GALLA CHESTER

modern sofa

The simple, clean line complemented by the tufted upholstery, symbol of the Chesterfield style, makes Galla a classic. Notable features are the adjustable headrests and the back's structure, allowing for movement in order to increase the size of the seat, which translates in extra comfort.

## STRUCTURE

The sofa - solid beech wood and chipboard.  
Seat cushion - memory foam on top of an elastic strap net for extra comfort.  
Back cushion - HR (high resilience) foam of medium density.  
Decorative pillows - filled with silicone fiber.  
The legs - metal structure. Optionally, they can be made of solid beech wood.

## EXTENSIBILITY

Non-extendable product but, the back mechanism allows for adjustable seat size. The headrests are also adjustable.

## SLIPCOVER

Partial-slipcover feature - seat cushion and decorative pillows.

## AVAILABILITY

- 3 seater Chester Sofa
- 3 seater Sofa - without tufted upholstery
- Chester Corner Sofa
- Corner Sofa - without tufted upholstery
- Armchair
- Small/Large Stool

**UPHOLSTERY** - the manufacturer's recommendation is for a fabric upholstery in a variety of textures and colors.

## Configuration options:

Solid beech wood legs / Picioare din lemn masiv de fag / Tömör bükkfa lábak

# NEW CHESTER

modern sofa

The modern rendering of the classic “Chester” style is found in “New Chester”, a formula devised and thought-through to answer the contemporary need for comfort. What makes it very attractive, is the contrast between volumes, the bulky arms and backseat being made more visible by high metal legs, therefore better framing the sofa’s relaxing space.

## STRUCTURE

Structure- solid beech wood and chipboard.

Seat cushion - HR (high resilience) foam of high density on top of an elastic strap net

Back cushion - HR (high resilience) foam of high density, covered with a layer of wadding.

The legs - metal structure.

## EXTENSIBILITY

Non-extendable product.

## SLIPCOVER

Non-slipcover feature.

## AVAILABILITY

- Armchair
- Sofa 210 cm
- Sofa 260 cm
- Sofa 310 cm

**UPHOLSTERY** - the manufacturer’s recommendation is for a fabric upholstery in a variety of textures and colors.

## Configuration options:

- Completely

An impressive corner sofa which is set apart by elegance and comfort.

**STRUCTURE**

The sofa – solid beech wood and chipboard structure.

Seat cushion – two sets of spring layers (a layer of sinusoidal springs and a Bonnell spring net) on top of which lies a layer of HR (high resilience) foam of medium density.

Back cushion – HR (high resilience) foam of medium density.

Decorative pillow – filled with silicone fiber.

**EXTENSIBILITY**

Non-extendable.

**SLIPCOVER**

Non-slipcover feature.

**AVAILABILITY**

- Corner Sofa
- 3 seater Sofa
- Armchair
- Stool

The naming convention for corner sofa (left/right) is derived from a sitting position.

**UPHOLSTERY** – the manufacturer’s recommendation is for a fabric upholstery, in a variety of textures and colors.

**Configuration options:**

- Body + Seat
- Decorative pillows

**UPHOLSTERY** - the manufacturer's recommendation is for a fabric upholstery in a variety of textures and colors.

If the upholstery material is fabric, the arm and the back cushions can be embroidered.

**Configuration options:**

- Completely

Rubine Corner Sofa is a fully fledged product, the comfort directive being met by a combination of lounge with regular seats, which turn themselves, when desired, into recliners, thus tripling the initial space of the lounge. As to the top side, a higher degree of relaxation is derived by means of the multi-step adjustable headrests.

#### **STRUCTURE**

The sofa - solid beech wood and chipboard.

Seat cushion - HR (high resilience) foam of high density on top of an elastic strap net for extra comfort.

Back cushion - HR (high resilience) foam of high density.

The legs - solid beech wood.

#### **EXTENSIBILITY**

The extension features a metallic structure and is suitable for occasional sleeping. The headrests are adjustable to multiple levels / positions.

#### **SLIPCOVER**

NO-slipcover feature.

#### **AVAILABILITY**

- 3 seater Cornersofa

- Cornersofa

The naming convention for corner sofa (left/right) is derived from a sitting position on the sofa side.

**UPHOLSTERY** - the manufacturer's recommendation is for a fabric upholstery in a variety of textures and colors.

#### **Configuration options:**

- Completely

Rio is a modern product, both self-standing as non-extendable or electric recliner chair, and modular units, easily converted into a sofa or a corner sofa at will. The electric recliner features conveniently placed control buttons on the arm's side, also offering a USB port for recharging a phone, tablet etc.

#### **STRUCTURE**

The sofa - solid beech wood and chipboard.  
Seat cushion - HR (high resilience) foam on top of an elastic strap net for extra comfort.  
Back cushion - HR (high resilience) foam of medium density.  
The legs - solid beech wood.

#### **EXTENSIBILITY**

The 2 seater Sofa is extendable. The extension is suitable for occasional sleeping.  
Optionally, the sofa, the cornersofa and the armchair can feature an electric recliner with 2 motors which ensure independent movement of the headrest and the seat.  
The non-extendable armchairs have a manually multi-step adjustable headrest.  
The armless angular module has no adjustable elements.

#### **SLIPCOVER**

NO-slipcover feature. The arms are detachable.

#### **AVAILABILITY**

- Armless Armchair - Non-extendable / with Electric Recliner
- 45 degree armless Armchair - Non-extendable

The layout of the modules must be specified on ordering the product because they have to be delivered with the proper attachment clamps. The naming convention for corner sofa (left/right) is derived from a sitting position on the sofa side.

**UPHOLSTERY** - the manufacturer's recommendation is for a fabric upholstery in a variety of textures and colors.

#### **Configuration options:**

- Completely

# STOCKHOLM

modern sofa

A practical and comfortable sofa, fit for a young attitude and, as well, for more or less spacious living places.

## STRUCTURE

The sofa – solid beech wood and chipboard.

Seat cushion – HR (high resilience) foam of medium density.

Back cushion – HR (high resilience) foam of medium density.

The legs – solid beech wood.

## EXTENSIBILITY

The extension features a metal structure and elastic beech slats.

The mattress is made of last generation HR (high resilience) foam, i.e. open cell structure allowing for a thorough airing of the mattress.

Mattress size – 191 x 144 x 12,5 cm or 191 x 141 x 11,5 cm for the Stockholm # model.

The extension is easily attained without detaching the seat cushions. These are practically lowering and hiding themselves under the mattress frame.

The extension is suitable for occasional sleeping.

## SLIPCOVER

Partial-slipcover feature: seat and back cushions.

Fully dismountable.

## AVAILABILITY

- 3 seater Sofa - Extendable.

- Armchair - Non-extendable.

- Large Stool – 64 x 125 x 44 cm.

- Small Stool – 64 x 64 x 44 cm.

**UPHOLSTERY** - the manufacturer's recommendation is for a full fabric upholstery.

## Configuration options:

- Body + Armrest

- Seat + Back

# BRITANNIA/OXFORD

modern sofa

Britannia means redesigning for comfort and relaxation in an imposing and, at the same time, elegant keynote. Being a modular product, it can act as a good “friend” for large families as well as a trusted partner in creating a nice, relaxing atmosphere. Britannia offers the advantage of a configuration according to an existing space and the adjustable seating and headrests for extra comfort.

## STRUCTURE

The sofa - solid beech wood and multilayer.  
Seat cushions - HR (high resilience) foam and an extra elastic strap of the seat for more comfort.  
Back cushions - HR (high resilience) foam.  
The legs - solid beech wood.

## EXTENSIBILITY

The extension of the seats features a metal structure and is not recommended for daily sleeping. The headrests are adjustable to 6 levels / positions.

## SLIPCOVER

NO-slipcover feature.

## AVAILABILITY

- 3 seater Sofa
- Corner Sofa
- 3 seater Oxford Sofa
- Oxford Corner Sofa
- Armchair - Non-extendable

The naming convention for corner sofa (left/right) is derived from a sitting position on the sofa side.

**UPHOLSTERY** - the manufacturer's recommendation is for fabric upholstery.

## Configuration options:

- Body + Armrest
- Seat + Back + Headrest + Elbowrest

# MANHATTAN

modern sofa

Manhattan armchair and sofa stand out through a clear line of design further enhanced by decorative cording, and the less than usual proportions which grant an ample relaxation lounge.

## STRUCTURE

The sofa - solid beech wood and chipboard.

Seat cushion - memory foam and HR (high resilience) foam on top of a sinusoidal spring net, for extra comfort.

Back cushion - HR (high resilience) foam of medium density.

Decorative pillows - filled with silicone fiber.

The legs - metal structure. Optionally, they can be made of solid beech wood.

## EXTENSIBILITY

Non-extendable product.

## SLIPCOVER

Partial-slipcover feature - back cushion and decorative pillows.

## AVAILABILITY

- 3 seater Sofa

- Armchair

**UPHOLSTERY** - the manufacturer's recommendation is for a fabric upholstery in a variety of textures and colors.

## Configuration options:

- Completely

Practical and comfortable like Luna and Lara due to the Bonnell spring net included in the structure of the seat and extension, but with slightly modified design of the armrests.

#### **STRUCTURE**

The sofa - solid beech wood and chipboard.

Seat cushions and extension - foam of medium density on top of a layer of Bonnell springs.

Decorative pillows – filled with silicone fiber.

#### **EXTENSIBILITY**

The extension is easily attained: pulling the seat cushion forwards and lowering the back cushion.

The extension is suitable for daily sleeping.

The Sofa and the Armchair are both extendable.

Dimensions:

*Sofa:* Extended – 183 x 220 cm; Sleeping space – 153 x 207 cm.

*Cornersofa:* Extended – 259 x 220 cm; Sleeping space – 153 x 207 cm.

*Armchair:* Extended – 106 x 220 cm; Sleeping space – 77 x 207 cm.

*Small Sofa:* Extended – 163 x 220 cm; Sleeping space – 133 x 207 cm.

*Small Cornersofa:* Extended – 227 x 220 cm; Sleeping space – 133 x 207 cm.

#### **SLIPCOVER**

Non-slipcover feature.

- Small Cornersofa – Extendable

- Armchair – Non-extendable or Extendable

**UPHOLSTERY** - the manufacturer's recommendation is for a full-fabric upholstery.

#### **Configuration options:**

Body + Arms

Seat + Back + Pillows

Lara sofa, cornersofa and armchair; practical and comfortable like Luna due to the Bonnell spring net included in the structure of the seat and extension, but with slightly modified design. The difference between the two is in Lara's rounded armrests.

### **STRUCTURE**

The sofa - solid beech wood and chipboard.

Seat cushions and extension - foam of medium density on top of a layer of Bonnell springs.

Decorative pillows – filled with silicone fiber.

### **EXTENSIBILITY**

The extension is easily attained: pulling the seat cushion forwards and lowering the back cushion.

The extension is suitable for daily sleeping.

The Sofa and the Armchair are both extendable.

Dimensions:

*Sofa:* Extended – 206 x 220 cm; Sleeping space – 153 x 207 cm.

*Cornersofa:* Extended – 282 x 220 cm; Sleeping space – 153 x 207 cm.

*Armchair:* Extended – 129 x 220 cm; Sleeping space – 77 x 207 cm.

*Small Sofa:* Extended – 186 x 220 cm; Sleeping space – 133 x 207 cm.

*Small Cornersofa:* Extended – 255 x 220 cm; Sleeping space – 133 x 207 cm.

### **SLIPCOVER**

- 2 seater Small Sofa – Extendable

- Cornersofa – Extendable

- Small Cornersofa – Extendable

- Armchair – Non-extendable or Extendable

**UPHOLSTERY** - the manufacturer's recommendation is for a full-fabric upholstery.

### **Configuration options:**

Body + Arms

Seat + Back + Pillows

Luna Sofa and Armchair: two comfortable products, turned practical by the Bonnell spring net included in the structure of the seat and extension. The lower size makes them perfect for smaller living spaces while the extension system allows for simple transformation from relaxation into sleeping area.

### **STRUCTURE**

The sofa - solid beech wood and chipboard.

Seat cushions and extension - foam of medium density on top of a layer of Bonnell springs.

Decorative pillows – filled with silicone fiber.

### **EXTENSIBILITY**

The extension is easily attained: pulling the seat cushion forwards and lowering the back cushion.

The extension is suitable for daily sleeping.

Seat + Back + Pillows

# PARIS/BRUXELLES

modern sofa

They are two modular sofas that come in multiple of 80 cm.

The distinguishing feature between the two models is the extra seat cushion stitches of the Bruxelles sofa and the slightly rounded design of the seat cushions for the Paris model.

## STRUCTURE

The sofa - solid beech wood and chipboard.

Seat cushion - HR (high resilience) foam and extra elastic strap.

The legs - solid beech wood.

## EXTENSIBILITY

The extension features a metal structure and elastic beech slats and a HR (high resilience) foam mattress:

- 2.5 seater Sofa – mattress size 183 x 133 x 9,5 cm;

- 3 seater Sofa – mattress size 196 x 152 x 10 cm;

The extension is suitable for occasional sleeping.

## SLIPCOVER

Paris - Partial-slipcover feature: seat cushions.

Bruxelles - Non-slipcover feature.

Headrest - Non-slipcover feature but an extra slipcover can be ordered.

## AVAILABILITY

- 2.5 seater Sofa - Non-extendable or Extendable

- 3 seater Sofa - Non-extendable or Extendable

- Corner Sofa - Non-extendable or Extendable

- Storage base – available for the Extendable Corner Sofa and the 1-arm Armchair

- Armchair

- Headrests – on arms and on the back cushion – adjustable levels/positions

- Large Stool – 90/70 cm

- Small Stool – 80/70 cm

The naming convention for corner sofa (left/right) is derived from a sitting position on the sofa side.

**UPHOLSTERY** – the manufacturer's recommendation is for a full-fabric upholstery; an alternative is, fabric for seat cushions and headrests and the body in faux leather. For Bruxelles, a full-leather upholstery can also be recommended.

## Configuration options:

- Body + Armrest

- Seat + Headrest + Elbowrest

Featuring warm and classic lines, this sofa is specially designed for living rooms. By combining its modules in multiples of 55 cm, different configurations of sofas or corner sofas can be obtained.

#### **STRUCTURE**

The sofa - solid beech wood and chipboard.  
Seat cushions - HR (high resilience) foam of medium density.  
Back cushions - filled with silicone fiber.  
The legs - solid beech wood.

#### **EXTENSIBILITY**

Two choices are offered for the extension:  
- 2 seater Sofa – mattress size 180 x 90 x 6 cm;  
- 3 seater Sofa – mattress size 180 x 133 x 6 cm;  
The extension features a metal structure and elastic beech slats, combined with polypropylene foil and a 6-cm foam mattress. The extension is suitable for occasional sleeping.

#### **SLIPCOVER**

Non-slipcover feature.

#### **AVAILABILITY**

- 2 seater Sofa – Non-extendable or Extendable – 1, 2 or no arms
- 3 seater Sofa – Non-extendable or Extendable – 1, 2 or no arms
- Corner Sofa – Non-extendable or Extendable
- Armchair – without storage base
- Armchair – can be Fixed or Electric/Mechanical Recliner
- Angolo

The layout of the modules must be specified on ordering the product because they have to be delivered with the proper attachment clamps. The naming convention for corner sofa (left/right) is derived from a sitting position on the sofa side.

**UPHOLSTERY** - the manufacturer's recommendation is for fabric, natural leather or faux leather upholstery equally.

#### **Configuration options:**

- Completely

# MONTE-CARLO

modern sofa

As a modular product, this sofa adapts easily to your needs, the individual modules being very simple to configure.

## STRUCTURE

The sofa – solid beech wood and chipboard.

Seat cushions - goose feather and silicone fiber filling, on top of a HR (high resilience) foam.

Back cushions and decorative pillows - goose feather and silicone fiber filling.

## EXTENSIBILITY

Two choices are offered for the extension:

– 2.5 seater Sofa – mattress size 183 x 133 x 9,5 cm;

– 3 seater Sofa – mattress size 196 x 152 x 10 cm;

The extension features a metal structure and elastic beech slats.

The mattress is made of foam.

A small extra mattress for protection lies between the extension and the seat cushions.

The extension is suitable for occasional sleeping.

## SLIPCOVER

Partial-slipcover feature: the extra mattress, seat and back cushions, decorative pillows.

## AVAILABILITY

Monte Carlo has the largest array of modules:

- 2.5 seater Sofa – Non-extendable or Extendable – 1, 2 or no arms

- 3 seater Sofa – Non-extendable or Extendable – 1, 2 or no arms

- Armchair – 1 or 2 arms

- Corner Sofa – Non-extendable or Extendable

- Lounger – Fixed or with inside-upholstered Storage base

- Angolo

- Small Corner Sofa / Large Corner Sofa, based on the seat cushion's size: 80 cm and 89 cm respectively

- Decorative pillows – for every seat cushion, the client receives a decorative pillow; exception makes the armchair which does not include a decorative pillow

- Bar tray – for arms

Attachment clamps are not included because the product's own weight makes for enough stability during its use, but these can be ordered separately.

The naming convention for corner sofa (left/right) is derived from a sitting position on the sofa side.

**UPHOLSTERY** - the manufacturer's recommendation for back and seat cushions is for a fabric upholstery.

### Configuration options:

**UPHOLSTERY AND FINISHES** – recommended upholstery for the chairs: fabric or faux leather. They can be ordered with decorative stitches or with decorative cord. For the table the manufacturer's recommendation is for a fabric upholstery in a variety of textures and colors.

#### **Wood Finishes:**

- stained finish: oak, dark walnut, wenge, grey and milk;
- polyurethane paint: black, white, cream, green, turquoise and red.

We pay attention to our clients' needs, we value their opinions and, as a consequence, we create products according to their practical and aesthetic demands. This is how the Tokyo chairs and table came into being.

#### **STRUCTURE**

**Chairs** - solid beech wood and multilayer structure. The legs are available in the classic version or as cross-legged (+) version.

Seat and back cushions - HR (high resilience) foam of medium density on top of a highly resistant laminated wood board.

**Table** - tabletop made from veneered chipboard and legs made from solid beech. Table height is 76 cm

#### **SLIPCOVER**

The chairs don't have a slipcover feature but their legs are dismountable.

#### **AVAILABILITY**

- Table 210 x 104 cm
- Table 170 x 90 cm
- Table 90 x 90 cm
- Table 80 x 80 cm
- Chair

**UPHOLSTERY AND FINISHES** – recommended upholstery for the chairs: fabric or faux leather. They can be ordered with decorative stitches or with decorative cord.

#### **Wood Finishes:**

- stained finish: oak, dark walnut, wenge, grey and milk;
- polyurethane paint: black, white, cream, green, turquoise and red.

## Cleaning and Care

**Pilling/shedding is a natural characteristic of rugs that contain wool**, so vacuum whenever necessary.

Clean spills immediately by blotting (not rubbing) with a clean sponge or cloth. We recommend the use of a 'rug cleaning specialist' for best cleaning results.
